

**The J.J. Uglad
Companies**

From our headquarters in Grimstad, The J.J. Uglad Companies (JJUC) operate a global business. JJUC commercially and technically operate a fleet of 33 units, including bulk carriers, PSVs, barges, and one crane vessel. AS Uglands Rederi is the parent company of the shipping business and is also established in Stavanger and Canada through subsidiaries. AS Nymo, a full-service EPC yard with a primary market in offshore production, is also included in JJUC. We employ around 800 persons and have an annual turnover of approx. NOK 1.5 billion. The companies within JJUC have a sound financial foundation that enables further expansion.

For our Stavanger office, Uglad Construction AS (UC), we are looking for:

Engineer - Lifting and Marine Operations

Main duties and responsibilities

- Engineering, procurement and follow-up of subcontractors
- Prepare and review procedures and method statements for heavy lift vessel and barge operations
- Planning and support for ballast, mooring and loadout operations for barge projects
- Coordination of marine operations
- Assist in tendering and commercial work
- Represent UC and support projects on-site and on vessels
- Provide professional advice and support for marine operation
- Build and maintain relationships with clients and suppliers
- Represent the company on-site during on/off-hire surveys and suitability surveys

Domestic and international travelling must be expected.

Preferred qualifications and skills

- Relevant work experience with particular focus on marine transport, load-out and heavy lift operations
- Mechanical/Structural Engineer or Naval Architect, alternatively Marine Master or Chief Engineer
- Knowledge of, or ability to learn, CAD software
- Comfortable using and learning new digital tools

Specific job training will be given.

Required personal qualities

- Good interpersonal skills
- Systematic and structured with a proactive mindset and high drive
- Technical and commercial mindset
- Fluent in both English and Norwegian

We offer

- To be part of a small and highly experienced team in a financially robust shipping company
- Competitive terms of employment
- Good insurance and pension plan
- Attractive office location in the centre of Stavanger
- Professional development opportunities
- Company resorts at Hovden
